PATIENT BENEFITS

✓ Fairfax FaceMatch®

With over 700,000 photo uploads, FaceMatch is the most popular donor selection tool in the market. Clients can match a donor's features to themselves, a partner, or even to someone famous.

✓ Pregnancy Pledge

If your patient does not conceive after 4 cycles, they receive a free vial. Visit our website for details.

✓ ID Donor Commitment

Our ID donors stay committed to sharing their name and contact information. Other sperm banks allow "opt outs," unbeknownst to patients.

CLINIC BENEFITS

Unparalleled Depth in Genetic Testing

- **Expanded Genetic Testing Panel for 502 diseases since January 2022** **NEW**
- **New Selection Tool:** Search donors tested negative by condition or gene name to find suitable donors more easily. **NEW**
- **Exclusive Infectious Disease testing:** DNA-based testing for HPV, HSV, CMV, HIV 2, and HTLV I/II. No other sperm bank offers this level of testing.
- **All donors:** Karyotype testing; Cystic Fibrosis (CF) for at least 86 mutations; Hb Electrophoresis.
- **Jewish Donors:** Testing for at least 17 diseases.
- **Spinal Muscular Atrophy (SMA):** All donors tested since 2008.
- **Special testing:** Available upon request if your patient is found to be a carrier.

Long-term Storage: Embryos, Oocytes and Sperm

Our vast experience and 7 state-of-the-art-facilities located throughout the United States ensure safekeeping of your patients' specimens.
