Pos.

Donor Medical History

Family Medical History

Mild asthma; mainly bothered when pollen count is high	Mother - very mild asthma (no meds)
--	-------------------------------------

Note: Only pertinent medical history is listed.

"Goofballish, serious, sensitive and very witty."

Why I am a donor: "To give a great family the opportunity of having a child. For that child to grow up in a wonderful environment. Children are the meaning of life."
