

Dear Colleague,

Please find enclosed copies of our patient brochures and fact sheets. We have also included business cards to share with patients.

Clients can go to our website, [fairfaxcryobank.com](http://fairfaxcryobank.com), to view our donor search, request information, read detailed descriptions of our services, and even order their specimens. As a result, some physicians prefer to distribute the business cards that include our web address.

Ready for more materials? On our website, visit Contact Us, then Request Information. Fill out this form and we will send out the requested items. You can also fill out this form and fax or email it to Client Services.

We appreciate your interest and look forward to working together in the future!

Thank you,
